PAR-BAKED PINSAs CRUSTS, MADE WITH LOVE

While growing up in his parents' restaurant, Carlo Pedone discovered his passion for gracing dinner tables with authentic Italian cuisine. Because nothing brings people together like good food.

Pinsa is a light, airy crust that uses an ancient Roman recipe. Mesmerized by its dynamic flavor profile, heavenly aroma, and crisp texture, Carlo quickly fell in love with pinsa at first bite.

He combined his thirty years of experience as a restaurant owner with his newfound love for pinsa, and began gracing dinner tables with this authentic, Roman-style crust.

Pedone Pinsa is proud to offer par-baked crusts that have been hand-pressed to perfection and packaged in our SQF-certified facility in Burlington, Wisconsin. Pinsa provides retailers (and their customers) with a customizable, crave-worthy, and cost-effective crust. Let's grow this pinsa market together!
